Brotherwood Super **5** Conversion

THE BEST USE OF SPACE
AND UNMISTAKEABLY
VOLKSWAGEN

In creating the “new Sharan” Volkswagen have looked into the future, including the next step in reducing emissions by making this vehicle Euro 6 compliant.

The engineers at Brotherwoods however are drawing on 15 years experience of converting the previous Sharan variants in order to transform the latest model into a WAV * that will service the needs of the wheelchair passenger and family without compromise.

Opening up a world of possibilities

AT THE HEART OF A BROTHERWOOD
CONVERSION IS SEATING FOR
ALL THE FAMILY

Quality of ride and comfort - engineered to perfection

Innovation is not always apparent. Brotherwoods pride themselves in the attention to detail that will make the conversion quick and easy to use.

The latest Hook-i PAWRS 2 restraint allows the option of powering a wheelchair and passenger into the vehicle by remote control - "NO PUSHING REQUIRED"

Brotherwood Super **5** Conversion

The Brotherwood converted Sharan offers compact transport for five adults, including the driver and one wheelchair passenger.

The optional centre Quick Fold Seat can be simply tilted to transform the car in seconds without any lifting or storing, hence the title - SUPER **FIVE**.
